Therapists in the group reserve the right to charge \$50.00 for a missed appointment without a 24 hour cancellation notice.

## **CONFIDENTIALITY:**

Your counselor respects your right to privacy and avoids unwarranted disclosures of confidential information. Safeguards are in place, but complete protection of privacy cannot be promised. In rare cases, courts may order disclosure of medical records. Confidentiality may also be breached in emergency situations to protect the safety of the Client or to prevent harm to others. North Carolina law requires report of child abuse or elder abuse and your Counselor does not need a Release to speak to authorities in these cases.

If you wish your Counselor to communicate with a third party, or if you request a transfer or release of your medical records, you will be asked to sign a Release form. In addition, you are being provided with a copy of HIPAA regulations, which were put into place primarily to protect vulnerability of client medical data due to increased use of electronic technology.

## **CORRESPONDENCE, CONSULTATIONS, COPIES, AND REPORTS:**

Phone calls, e-mail correspondence, consultations, and reports are not considered counseling services and are not reimbursable through insurance companies. Each report generated will require an out of pocket fee ranging from \$25.00 - \$50.00 and must be paid before a report will be released. Consultations, phone calls and e-mail correspondence will require an out of pocket fee based on \$2.00/minute and must be paid at time of service. ## **ACCEPTANCE OF SUBPOENA AND COURT APPEARANCES:**

Any knowledge or intention of court appearances, on the part of clients, is expected to be discussed at the first session, or as soon as the information becomes available to the client/guardian. It is the position of the therapists at Peace of Mind, Inc. that courtroom testimony adversely affects the therapeutic relationship and interferes with the counseling process. All matters of child custody and/or visitation will be referred to a forensic child custody specialist and/or a Guardian ad Litem, and immediate response of accepted subpoena will be responded to by a Motion to Quash.

Further, subpoenas will not be accepted unless they are signed by the judge overseeing the case, and properly served, as in: via certified mail or in person, with a minimum of two weeks' notice.

Deposit for courtroom testimony will be paid prior to discussion of appearance, and deposit amount will be \$250.00.

### **USE OF DIAGNOSIS:**

As is true in all medical billing, your insurance company requires we indicate a code number to represent your diagnosis; they will not reimburse without that code. On occasion, insurance companies may also audit charts, though their sole concern would be to examine for deficits in the method of documentation or billing. Insurance companies usually require treatment plans, when you need authorization for additional services. Since reimbursement for treatment is based on medical necessity, involving symptom-based criteria, your symptoms may be noted in this kind of report.

**Please be aware that diagnoses will become part of your medical record, and although this information will be safeguarded to the extent possible, this information may have to be released if the record is subpoenaed into court.**

### **REGISTERING COMPLAINTS:**

If issues arise in the course of the counseling relationship, it is hoped that these will first be addressed directly with your counselor. However, if you remain convinced that Professional Ethics have been violated, a formal complaint may be registered in writing. Appropriate Forms are available upon request from the North Carolina Board of Licensed Professional Counselors, by addressing a letter to P.O. Box 77819 Greensboro, NC 27417; calling (844) 622-3572 or (336) 217-6007; or by visiting the web site and downloading a form at:
